Dressing Table

Drawers: five (two are 6 ~~more-deep~~ deep)

Width:

Mirrors:

Condition:

Price:

Seller's details

You should pay more attention to **distractors** in this part of the recording.

"More" does not refer to the depth but refers to the capacity of the bottom drawers. Moreover, the correct form is "deeper" and not "more deep"

Listen to the recording once again:

MAN: Good – how many drawers does it have?

WOMAN: Five altogether. Um ... the bottom two drawers hold more *as they're deep*.

Part 1 1 2 3 4 5 6 7 8 9 10

Part 4 31 32 33 34 35 36 37 38 39 40
